This quote is for estimation purposes and is not a guarantee of cost for services. Quote is based on current information from manufacturer about the project requirements. Actual cost may change once project elements are finalized. Client will be notified of any changes in cost prior to them being incurred.

Terms & Conditions

Shipping calculated at time of shipment

1. PAYMENT TERMS

Progress payments are due as follows. All payments must clear the Seller's accounts before being considered paid.

Order Confirmation Fee (OCF): 50% of the Purchase Price is due for production release. This payment allows the Seller to order materials, allocate resources, and is non-refundable. The project cannot be canceled after this fee is paid.

Delivery Confirmation Fee: The remaining 50% of the Purchase Price is due upon shipment of the materials.

Any unpaid balance will accrue interest at a rate of 2.5% per month. The warranty period does not begin until the materials are paid in full, including any accrued interest.

2. AMENDMENTS, ADDITIONS, AND MODIFICATIONS

All changes to this Agreement must be documented in a dated writing and signed or initialed by all parties. Oral modifications are not enforceable.

3. CHANGE ORDERS

Any changes to the scope, price, or timeline must be documented in a written Change Order and signed by both parties.

Price adjustments for Change Orders will be agreed upon in advance whenever possible.

If a price is not agreed upon in advance, the cost will be calculated as $\text{Price} = \text{Materials} + 25\% \text{ Overhead}$.

Payment for Change Orders is due before the changes described in the Change Order begin.

4. UNFORESEEN CONDITIONS

If concealed or unusual conditions are discovered that differ materially from the plans and specifications, the Seller will notify the Buyer. The parties will then either:

Mutually agree to an adjustment of the price, scope, or timeline.

Direct that the impacted materials be abandoned.

5. FORCE MAJEURE

The Seller is not liable for delays or non-delivery caused by events beyond its reasonable control, including but not limited to embargo, war, acts of God, labor strikes, material shortages, fire, flood, or accidents. If fulfillment becomes impossible due to such an event, the Seller may terminate the Order. The Buyer remains liable for payment for any materials shipped prior to termination.

Terms & Conditions (cont.)

6. TIME FOR COMPLETION

The estimated delivery time is approximately 12 weeks from the order release date. This is a good-faith estimate only. The Seller is not liable for delays caused by manufacturer delivery schedules, labor strikes, accidents, or other events beyond the Seller's control.

7. BUYER'S COVENANT

By signing this Contract, the Buyer confirms the following:

All terms are definite and express the full intent of the parties.

The Buyer holds legal title to the property where the materials will be delivered.

All property owners are listed as Buyers and will sign this Contract.

8. ALLOWANCES

If allowances are indicated in the scope of work, they will be reconciled against actual costs at the time of delivery. The final costs for allowance items will be billed at materials plus 25 percent mark-up for administration.

9. LIMITED WARRANTY

The Seller warrants the materials against defects in accordance with the Manufacturer's Warranty.

The Seller's liability is limited to the repair or replacement of defective materials, at the Seller's option, for a period of one year after the date of delivery.

Materials will match the agreed-upon specifications (or be of equal quality).

10. GOVERNING LAW AND SEVERABILITY

This Agreement shall be governed by the laws of the State of Illinois. It is binding upon the parties and their heirs, successors, and assigns. If any provision is found to be invalid, it will not affect the enforceability of the remaining provisions. Any waiver of terms must be in writing and signed by the waiving party.

11. BUYER RESPONSIBILITIES

The Buyer is responsible for the following:

Preparing the delivery site in accordance with the Seller's specifications and all local codes.

Obtaining and paying for all necessary permits and inspections related to delivery, unless this duty is delegated to the Buyer's Agent.

12. TAXES

The Buyer is responsible for all applicable taxes, fees, or government charges.

The Seller will not include such taxes in the Purchase Price.

Terms & Conditions (cont.)

If any new or increased taxes are imposed after the Order date, the Seller reserves the right to increase the Purchase Price accordingly.

13. MISCELLANEOUS

The Seller's delivery crew will have reasonable use of the Buyer's on-site utilities (e.g., water, electricity) for the duration of delivery if needed.

14. IMAGERY

The Buyer consents to the Seller taking photographs and videos of the delivered materials for use in advertising, promotional materials, and other marketing purposes.

15. DEFAULT AND COLLECTIONS

a. Event of Default: The Buyer shall be in default of this Agreement if any payment, including the Delivery Confirmation Fee or any payment for a Change Order, is not received by the Seller when due.

b. Costs of Collection: In the event of a default, the Buyer agrees to pay all costs and expenses incurred by the Seller in seeking to collect the outstanding balance. These costs include, but are not limited to:

Reasonable attorney's fees and legal expenses;

Court costs and filing fees;

Fees associated with a third-party collection agency; and

All costs associated with filing, perfecting, and foreclosing on a mechanic's lien.

c. Interest: As stated in Section 1, any unpaid balance shall accrue interest at a rate of 2.5% per month (30% APR) or the maximum rate allowed by Illinois law, whichever is less. This interest will be applied to the principal balance as well as any unpaid collection costs.

d. Right to Lien: The Seller expressly reserves all rights to file a Mechanic's Lien on the property where the materials were delivered or installed in accordance with the Illinois Mechanics Lien Act (770 ILCS 60/1 et seq.) to secure payment for the materials and labor furnished. The Buyer acknowledges that failure to pay for the materials as agreed may result in a lien being placed against their property.

e. Suspension of Warranty: In the event of default, all warranties provided by the Seller under Section 9 (Limited Warranty) shall be immediately suspended. The warranty period will not commence, and no warranty claims will be honored, until the Buyer's account, including all principal, accrued interest, and collection costs, is paid in full.

f. Legal Remedies: The Seller reserves the right to pursue any and all legal and equitable remedies available under the laws of the State of Illinois to collect the outstanding debt, in addition to the rights specified herein.
